

B-FP3D

MOBILE PRINTER

Product brochure

- > Expand the potential of your mobile workforce, with Toshiba's compact and rugged range of mobile 3-inch label and receipt printers.
- > Focused on receipt printing and with a plus version available for label applications the B-FP3D delivers true versatility.
- > Robust and durable; designed for the user, with easy operation, full colour display and the flexibility to operate in the most diverse working environments.

CONNECT. INTEGRATE. SIMPLIFY.

Technology for every workplace, delivering advanced functionality, ease of use and peace of mind. Based on this philosophy the B-FP3 series can handle a multitude of applications across the widest range of markets. From mobile POS or queue busting, through to issuing tickets or receipts at the roadside and cash on delivery for Logistical operations.

- > Retail
 - Price mark-down, shelf-edge labelling, queue busting, promotions, mobile POS
- > Warehousing & Logistics
 - Shipping labels, invoices, parcel tracking, delivery notes, Route Sales and accounting.
- > Hospitality
 - Event & meal tickets, mobile POS
- > Healthcare
 - Mobile pharmacy, patient IDs, document & lab sample tracking
- > Public Services
 - Traffic wardens, police, facilities operatives & public transport (tickets, fines, utility billing, metre reading, etc.)
- > Field Support
 - PAT testing, receipts for field sales & support charges

So simple to use

Small & light, easy to handle, the B-FP3 series has been designed with the user in-mind. Simple to operate with a full colour graphical LCD display, providing easily visible status updates. Drop in, large capacity media loading, for quick and efficient media changes and a double tear-off bar for operator flexibility.

Durability built in

For the ultimate in durability the B-FP3 series is protected on all sides by robust rubber bumpers and boasts a drop test of up to 1.6 m. This rugged portable device can endure extreme conditions, whatever your printing requirement.

Ready when you are!

Market leading print speeds of up to 6 inches per second, faster processing with an advanced CPU and a rapid boot time, guarantee the B-FP3 is ready to print, labels and receipts quickly and efficiently at the touch of a button. A long-life, powerful battery offers extended operational time to keep your business moving — and minimise down-time.

Charging – anytime; anyplace; anywhere

Keep your workforce on the move, with the most flexible range of charging options. For current users of Toshiba B-EP portable products, the B-FP3 series is compatible with the existing power options, this enables easy expansion of your mobile applications. However, for new applications and to keep costs to a minimum, the B-FP3 is the first printer on the market to work with “off-the shelf” wireless charging Qi products. So now you can charge your printers anytime, anyplace, anywhere, reducing the need for specialist options.

Adaptable connectivity

The B-FP3 series can not only expand existing mobile systems but has everything on-board to be compatible with the latest systems including JPOS/OPOS drivers for retail operations; SDK and DLL for iOS and Android; Win CE and Win Mobile.

- > Language capabilities - TPCL, ZPL, CPCL, TEC Label and ESC/POS commands
- > Open type fonts as standard
- > NFC for BT pairing
- > MDM for Airwatch

The B-FP3D comes with a full colour graphical LCD display for ease-of-use and enhanced efficiency.

Mobilise your business, grow your sales.

SPECIFICATIONS

General

Print Method	Direct thermal
