

Zebra® ZXP Series 1™ Card Printer

SEE MORE. DO MORE.

Affordable card printing with an easy-to-use, space-saving design

The ZXP Series 1 card printer provides high-quality card printing at a market-leading price. Ideal for low-volume, single-sided printing applications in color or monochrome, the ZXP Series 1 offers a complete card printing solution with a minimal upfront investment. Its ENERGY STAR™ certification and eco-friendly print cartridges make it the best entry-level printer on the market.

Ease of Use

The ZXP Series 1 requires little technical support or user training. Operation is made simple with an intuitive user interface and color touch points. The quick-replace Load-N-Go™ smart ribbons have the added benefit of being eco-friendly, using less plastic and more biodegradable material than many competing brands. Print Touch™ uses Near Field Communication (NFC) to instantly retrieve helpful information about the ZXP Series 1 from any NFC-enabled smart device.

Compact Size & Network Manageable

A small footprint allows the ZXP Series 1 to fit in the tightest workspaces, making it the right choice when space is limited. Its compact and durable design, and advanced network printer management software tools, make the ZXP Series 1 perfect for multiple small office installations, or large deployments of distributed card printers.

No Compromise, High-Quality Cards

You can count on the ZXP Series 1 to print clear, sharp and color-rich images when you need them, where you need them. Its optional magnetic stripe encoding, Ethernet connectivity and support for multiple card thicknesses permit the ZXP Series 1 to meet a variety of business needs.

Ideal for These Applications

- **Retail & Hospitality**
 - Loyalty cards
 - Gift cards
 - Membership cards
 - Hotel, cruise or other hospitality cards
- **Identification & Access**
 - Employee ID cards
 - Access control cards
 - Visitor badges
 - Business cards
 - ID cards for inventory or goods
- **Government & Education**
 - Student ID cards
 - Library cards
 - Recreational facilities and member use ID cards
 - Certification cards

- Operating range: 90-132VAC & 190-264VAC RMS
- Frequency range: 47-63Hz.
- Power requirement is 100W maximum continuous & 607W peak (for 450 microsec) output power
- FCC Class A

Physical Specifications (standard model)

- Height : 9.3"/236mm
- Width : 7.9"/200mm
- Depth : 13.0"/368mm
- Weight : 11.6 lbs/5.3kg

More ease-of-use features are just a touch away

The ZXP Series 1 offers Zebra's Print Touch technology to connect your smartphone or tablet to additional printer information and data with a simple touch. Print Touch makes it easy to save time and money in IT and tech support departments. Just hold your NFC-enabled smartphone or tablet up to the Zebra Print Touch logo on the printer to:

- See important information about that specific printer
- Immediately access Zebra's extensive ZXP Series 1 knowledge base of how-to-videos and product support

Genuine Zebra™ Supplies

Genuine Zebra supplies meet stringent quality standards and are recommended for optimal printing quality and proper printer performance. The ZXP Series 1 card printer is designed to work only with Zebra eco-friendly Load-N-Go drop-in ribbon cartridges.

Zebra CardStudio™ Software

Zebra's CardStudio™ is an easy-to-learn, easy-to-operate complete card design and card issuance software suite.

It makes designing and printing high quality photo ID cards and other cards easy, with basic to advanced features, and support for all Zebra card printers.
