Nominal voltage	110 ... 230 V AC / 50 ... 60 Hz	
Power	600 VA	
Nominal current	230 V AC – 1.5 A / 110 V AC – 3 A	
Fuse values	T5AH 250 V	
Operating temperature	5 ... 35 °C	
Relative humidity	max 80 % (non-condensing)	

LABELSTAR OFFICE – Label design software.

Highlights

- > Simple operation by Drag&Drop
- > Support for all the most common bar code types
- > Direct database connection
- > Individual label design through various printer and system variables
- > Mark-ups for flexible text formatting

CONFIG TOOL – Configuration software.

Highlights

- > Simple configuration of printing systems and touch panels
- > Automated firmware update
- > Support for parallel, serial, USB and network interfaces
- > Export/Import of current printer configurations

LABELS – the maximum number of possibilities.

What applies to our printing systems also applies to our labels: almost unlimited choice and individual solutions for all industries. We supply plastic, paper or cardboard labels on a roll in a wide range of formats: pre-printed or blank, removable or permanent, exactly to your requirements. We thus bring any labelling to your product!

TRANSFER RIBBONS – for a perfect transfer.

Our transfer ribbons are optimally adapted for use with our printing systems and labels. They are available in standard (wax), premium (wax/resin) and special (resin) versions. Whether on paper or plastic, scratch and smudge proof, high-resolution – we offer you the ideal solution for any requirement.
